- Keep dogs on a lead, especially around farm animals, horses, wildlife or other people
- Clean up after your dog
- Follow paths and local signs
- Plan ahead and be prepared for changes in weather and tide times
- Some areas may have weak mobile phone signals. Let someone know where you're going and when you expect to return.

## BE BIRD AWARE

The Essex coast features mud-flats, saltmarshes and grazing marsh which are internationally important for thousands of waders and wildfowl.

The survival of species, such as avocets, ringed plovers, hen harriers and teals, relies on everyone helping to prevent bird disturbance.

Please keep noise levels low and dogs on leads when walking in these special places. [essexcoast.birdaware.org](http://essexcoast.birdaware.org)
